WORLD Science

**III International Scientific and Practical Conference
"Topical researches of the World Science"
(June 28, 2017, Dubai, UAE)**

The WORLD Science project has been created to give the scientific community of the Commonwealth of Independent States and Europe an open space for scientific exchange and publishing assistance. Not only noted scientists but also post graduate students, masters and students can have their articles published in the collection of articles of the WORLD Science conferences.

The conferences are organized by the ROST Publishing (United Arab Emirates, Dubai) with the support of the biggest universities of the world leading countries that are located in the special educational zone «Knowledge Village».
